How can our family, serve your family?

Our Gaurantee of Excellence

Our commitment at **The Moore Family Funeral Homes** is to provide families the compassion, care and attention to detail that is needed during a time of loss. It is our privilege to minister to the needs of the families we serve as they say good-bye to a loved one and also to provide information and assistance to families who desire to make pre- arrangements. We believe that trust is built on a relationship of openness and honesty.

This is our pledge to you
We are committed to memorializing the life and accomplishments of your loved one. We sincerely believe that his or her life was special in many ways, and that the relationships forged by that life must not be ignored as we plan an appropriate tribute. We rely upon your openness in sharing the unique qualities of the life lived in order for us to create the appropriate recommendations for a personal tribute. Just as every life is different, we will work with you to design a memorial experience that is as uniquely different and as special as your loved one. All that we do should assist in remembering his or her life in a beautiful and unique way.

This is our promise to you
Should we fail to meet your expectations or to provide value for the fees you are charged, please let us know immediately. We will work very hard to correct any deficiency.
